

## PETER SAMUEL WINSTON

prince0ftime.github@gmail.com

731 Voyager Dr. • Houston, TX 77062 • 832-985-5207

### EDUCATION

---

Calvert School - Home School Curriculum

*High School Diploma*

- GPAs: Overall 3.65

May 2018

### EXPERIENCE

---

#### **Most Recent Employer**

HEB Grocery – Houston, Texas

**October 2015 - Present**

#### **CSA - Manager**

- Engaged with customers to help meet their needs, find and retrieve wanted items, and handled point of sale transactions.
- Regularly handled cash tills in excess of \$2,000; daily sales often exceeded 18k.
- Exceeded performance standards while providing efficient, helpful, customer service.
- Cross-trained in several departments.

**Independent Repair Consultant - Houston, Texas**

**September 2014 - Present**

#### **Computer, mobile, and tablet repair and services**

- Started an independent business to repair and service computers, tablets, and mobile phones.
- Worked on diagnosing and addressing hardware and software issues on Microsoft and Apple OS devices.
- Repaired iPhone and iPad deceives, specifically, replacing and servicing cracked screens and malfunctioning inputs.
  - All skills were self-taught; developed strong hands-on skills in order to conduct complex repairs to a wide range of devices. Was required to quickly access and process large amounts of technical data to facilitate repairs and diagnoses of malfunctioning or damaged devices.

### ACTIVITIES

---

**Computer Club - Houston, Texas**

**2012 - 2018**

- As part of a group of computer enthusiasts:
  - Self-taught how to code C and C#, Python 3, Java (all at intermediate level)
  - Prototyped a mixed-use VR/AR motion-capture and import system. This included: hardware design, software design, as well as developing a C socket type program.
  - Taught basic C programming theory to other members of the club
  - Worked on repairing and resorting a number of retro computing devices. This included 3D printing special parts, controlling a club budget for parts, and conducting advanced repair processes to retain integrity of the vintage devices.
  - Currently working on an AI/robot control program project as a means to further understanding of C language.

**Boy Scouts of America - Houston, Texas**

**2010 - 2018**

- Elected to leadership positions of Quartermaster and Webmaster, serving four years in those positions.
- Left Scouting with over 200 service hours, participating in more than 15 Eagle Scout projects before leading my own.
- As Quartermaster, planned and oversaw over 5 campouts and Scouting events leading over 20 new Scouts through their first 3 advancement ranks.

**Soccer - Houston, Texas**

**2011 - 2018**

- Recreational soccer player - played forward and co-captained team.

### ADDITIONAL

---

- **Skills:**

- Languages: C, C#, Python 3, Java (intermediate).
- Skilled in: Excel, PowerPoint, and Word.
- Adept at diagnosing and repairing hardware and software issues with Microsoft and Apple devices.
- Strong editing, proofreading, and verbal communication skills.
